Happy Friday 🎉! I'm so excited to get your party started next week 😁😁 be on the lookout for the group invitation. You can start inviting people right away. (Sometimes Facebook gets a little moody and only lets you invite so many at a time). Here's to a great week! 🍷🍷

Happy Sunny Thursday! ☀️ I'm excited to get your party started! The shopping link will always be posted in the featured section of the group. It's open for business so guests can start shopping whenever they'd like! My goal is to get you as much free/discounted products as possible. The best thing you can do is get as many guests to the group as possible! Invite as many people as you can! Let them decide whether or not they want to join. 😊 And play along 😊😊 The more active you are, the more active everyone else will be. 😍😍

Happy Monday!! 🍷🍷 I'm excited to get your party rockin! My goal is to get you as much FREE product as possible! 😍😍 The best way you can help is to invite as many people as you can! Try to invite LOTS of Facebook friends. Be sure to text my shopping link and the group link out as well. Also, an active host gets the most! So play along, tag friends in things they might like and comment on the posts 😊😊

Get this. Here's an annoying lil fact... sometimes Facebook gets moody and people don't get notifications. So feel free to text the shopping link and group link out to everyone you know. Lol 😊

Tomorrow 's task- Share items that you love and why! If you have any.. Post pics of some of your items from your house...this is THE BEST way to get good sales. Your friends expect me to love the products. But if YOU love them, they will listen to you. They respect your suggestions

more! 😊

Today is the last day of the party! We can totally get you a few more orders! I seriously had a host recently turn a \$300 to a \$1100 party! Message everyone my website and maybe some reason why you love Mary Kay and need their help. This will help you score a bunch more orders! My website is www.marykay.com/Your website
