explanation of each store level

FULL STORE \$4,200 Wholesale

A Full Store adds your Sephora experience to your Target experience, allowing your clients to DEMO and try all the colors if you choose to do that. In addition to everything below, it provides you with multiples of skincare lines, treatments & color products giving you the opportunity to hold multiple appointments & servicing reorders without needing to restock often. You will be able to have multiple brush sets, roll up bags & compacts on hand to sell. You will be able to demo full size, color products & brush sets.

EMERALD \$3,600 Wholesale
