Hey girl... are you free to talk or text a quick second?

Ok... here is the deal.. of course you know I am with MK-I need help because I have to borrow some skin. Got any??? LOL! Could I borrow your face for a VIRTUAL (spring/summer/fall/winter) skin care sesh I'm working on? It's FAST, fun and I SWEAR it's painless!! Could I borrow your face?

Yes! Set date ASAP by choosing earlier or later in the week, then offer 2 different times. (Always schedule by offering 2 appointments choices)

Then, once the date is set 

My goal is 30 faces in (July)....if u think u hv anyone that would think a (summer/fall/winter/spring) skin care refresh would be fun, I'll load you up with A LOT of FREE stuff! Up to u! In (July), u get (your special offer) to party with me...want the details???

Yes

It's soooo easy! U hv 6 adults girls join u on the skin care session, they all get customized beauty bags shipped to them for FREE and we all hop on a zoom and play together! So FUN! Tell everyone to grab a drink and pamper their skin! Want me to send u the invitation script? It's what everyone is doing 😊
